

PLEASE NOTE:

Republic Bank will not process a Bank Product for a deceased taxpayer.

For enhanced form processing, please submit online by logging into republicrefund.com. See Program Guidelines for more details.

Missing documentation will delay processing.

General Information	
Taxpayer Social Security Number:	Date://
Name(s) on Check:	
Name of the Deceased:	Date of Death:
Check Print Year	

Notice	
Prior Year	NOTE: You may only select a year within the past 6 years, because unclaimed funds older than 6 years are returned to the government and are no longer held at Republic Bank.
Current Year	

Notice

Republic Bank will add "DECEASED" after the decedent's name to assist with check cashing if the taxpayer became deceased after a Bank Product application was submitted.

If a Bank Product was applied for using a deceased person's name and social security number, the funds will be returned to the IRS/State.

Sign the Form

Signature of person filing this form: ______ Relation to the decedent: ______

Provide Accompanying Documents

Please provide the following documents:

- 1. Copy of the death certificate
- 2. The original VOIDED check
- 3. This completed and signed form

I certify that the original check has been lost, damaged, shredded/destroyed, given to an incorrect taxpayer, or is otherwise not available for a copy to be uploaded. This tax office will take responsibility for the duplicate check if it has been cashed.

Please provide a detailed explanation for the missing check, including the amount and check number.

Please e-mail the above documentation to **EPForms@republicbank.com**. Include as the subject line the name of the form and the taxpayer's last name. For example: **Deceased Taxpayer Form - Smith**

Check Reprint Note

Once your request has been processed, a new check will be issued. The replacement check will either be printed by Republic Bank and mailed directly to you or printed by the tax preparer.
